

NAAMAN HAD A CHOICE

2 Kings 5

1. Naaman thought he could purchase his healing.
2. Naaman thought he would be healed by another sinner.
3. Naaman came with his own expectations.

Before Naaman could be healed he had to be broken.

The Bible never spoke of leprosy being cured or healed – it's always cleansed.

Naaman had a choice: Obey or Die

2 Lessons:

1. Just obey
2. Never rely on your own ability
